APPLETON GENEALOGY,

BY

W. S. APPLETON.

PRINTED FOR

CORRECTION AND ENLARGEMENT.

BOSTON :

PRESS OF T. R. MARVIN & SON.

THESE pages are printed to the number of fifty copies, solely for the purpose of obtaining from members of the family, and other persons, further information in the shape of corrections and additions. Very many can doubtless be given by the members of the various branches, who are earnestly requested to send to the compiler all facts in their knowledge, which are not found here printed. Full names, exact dates and places are particularly desired, to enable the compiler to prepare, as is his intention and hope, a genealogy worthy of the family.
